

My dear Sam.

The balance has been sent
to Taylor in S. F.

Emmanuel has ret'd and I think we
shall come to a satisfactory agreement
by which she shall come into sole
possession of Hawk Creek Little Wonder

I was glad to hear, thro' Mrs. Neals, some-
what later from you, than yr letter to
me. I hope you continue well and
that your cough has entirely gone.

all here are very well. I am
a little shaky yet and twice corner
than formerly, but generally feel
pretty well. I am thinking of leav-
ing here for home about Feb. 1st altho'
Mamma wishes that the weather is very
bad there, but all of our people were
well at date of latest letter—

I have no report from Church yet.
With kind regards to Geo. S.

Ever yr affectionate father
W. J. Cheney
